

Dear Grandma & Grandpa,  
Hi. This is our second day here. Yesterday we got here at about 11:30am. We only stopped once. Today we went to their one mile house for my grandma. Louie's group is something. It was pretty fun. There are 4 horses in this pasture but the only ones I know are Mango & Lucy. We can pat them but they're too young to ride & sometimes they're not ours. Sometime while we're here they're gonna take us up to Canada where they have water slides! There's little girls come over named April, Avery, Abby, Cheyenne, etc. Well I better go to bed! See you later!  
Love, Emily
